## NOTICE OF RATE INCREASE

Last year, while our income rose by 8.8 %, our expenses increased to almost double that (15.9%) due to continued elevated costs for materials and services needed to operate the business. This trend is unsustainable in the long run for Fayette Water Supply Corporation (“FWSC”) to efficiently and proactively maintain our infrastructure, to remain compliant with regulatory authorities, and to meet the increasing demand for rural water.

Consequently, the FWSC Board of Directors has determined it necessary to implement another increase in the monthly use rates for water services for all members, to be effective for the May 2024 billing cycle. We recognize the frustration that rate increases bring, but we believe it necessary to ensure that we can continue to maintain and sustain the water resources upon which
